Assumption of Risk, Release, and Waiver of Liability and Indemnity Agreement

The Nassau Humane Society Dog Park (NHS Dog Park) has created a park for dogs and their owners and guests to enjoy together. I understand that the use of the NHS Dog Park facilities means that I am taking certain risks of injury to myself, my minor children (under 18), my guests, my dog(s), and my property. I also understand use of the NHS Dog Park does not guarantee or warrant the disposition, behavior, condition, or acts of the other dog(s) in the park. I understand that animal behavior is sometimes unpredictable and that some dogs are capable of inflicting serious personal injury or death, as well as extensive property damage. Knowing the risks of handling domestic dogs, I hereby release, discharge, and hold harmless the City of Fernandina Beach and its representatives, officers, employees and agents, and Nassau Humane Society Inc., their representatives, officers, directors, volunteers, shareholders, property landlord(s), appointees or representatives, employees and contractors from any and all liability, claims, demands, causes of action, or any other legal cause arising out of or related to loss or damage or injury to person or property.

I also realize that there may be dog(s) that have undiagnosed medical problems or may be incubating infectious diseases that could be contagious. I hereby agree to assume these risks that could be transferred to my dog(s). I understand if my dog(s) are injured or become ill, it is my financial responsibility. I will not seek medical reimbursement from the NHS Dog Park. I hereby release, discharge, and hold harmless the City of Fernandina Beach and its representatives, officers, employees, and agents, Nassau Humane Society Inc., including but not limited to its operations involving the NHS Dog park and Nassau Humane Society Inc., their representatives, officers, directors, volunteers, shareholders, property landlords, appointees or representatives, employees and contractors from any and all liability, claims, demands, causes of action, or any other legal cause arising out of or related to loss or damage or injury to person or property.

Because I want to use and enjoy the NHS Dog Park and its facilities, I hereby agree to assume these risks for myself, my guests, my minor child, my dog(s), and my property. I agree that it is solely my responsibility to determine whether the NHS Dog Park property itself and any particular situation involving other owners, guests, and dog(s) is safe for myself, my minor children (under 18), my guests, my dog(s), and my property. I expressly assume the risk of personal injury or property damage arising out of or related to my use of the NHS Dog Park.

In exchange for the opportunity to use the NHS Dog Park, I hereby release, discharge, and hold harmless the City of Fernandina Beach and its representatives, officers, employees, and agents, Nassau Humane Society Inc., including but not limited to its operations involving the NHS Dog park and Nassau Humane Society Inc., their representatives, officers, directors, volunteers, shareholders, property landlord(s), appointees or representatives, employees and contractors from any and all liability, claims, demands, causes of action, or any other legal cause arising out of or related to loss or damage or injury to person or property, including any death or serious injury which may result while I, my minor children (under 18), guests, or my dog(s) are at NHS Dog Park. I also agree to be responsible for my minor guest(s) and my dog(s) and for any liability caused by me, my minor children, guests, and my dog(s).

I also release any other owner(s) of the NHS Dog Park from any claims, causes of action, or other legal cause arising out of or related to the activities of such owner(s) dog(s), including any injury such dog(s) may cause to me, my guest, my minor children, my dog(s), and my property, except where such a claim, cause of action, or any other legal cause arises out of the gross negligence or willful misconduct of such owner(s).

I further agree to hold harmless and indemnify the City of Fernandina Beach and its representatives, officers, employees, contractors and agents, and Nassau Humane Society Inc., including but not limited to its activities involving the NHS Dog Park and the Nassau Humane Society Inc. and the representatives, officers, directors, volunteers, shareholders, property landlord(s), or appointees, or its employees, contractors and agents for any claims, causes of action, lawsuits or judgements against any of the foregoing entities or persons that are asserted because of any action or inaction of myself, my minor children (under 18), my guest, or my dog(s). This indemnification shall include court costs and attorney fees and costs, including costs of appeal.

I hereby grant permission to use any photographs or videos taken of myself or my pet in any/all NHS publications and media releases, including website entries, without payment or any other consideration. I understand and agree that these materials will become your property and will not be returned. I hereby authorize to edit, alter, copy, exhibit, publish or distribute this photo/video for purposes of publicizing your programs or for any other lawful purpose. In addition, I waive any right to royalties or other compensation arising or related to the use of the photograph/video. I hereby release rights to all claims, demands, and causes to action which I, my heirs, representatives, executors, administrators, or any other persons acting on my behalf of my estate have or may have by reason of this authorization.
